CNA ConnectSM: The Right Choice

The CNA ConnectSM: The Right Choice

Your business is unique. CNA has developed protection for professional businesses just like yours. CNA ConnectSM gives you a broad foundation of protection with added coverage tailored to the unique needs of your business.

When you're insured by CNA, you get the fundamental property and liability insurance you need in one convenient package. Our tailored package insurance policy helps reduce the number of insurance policies you have to manage and still provides you with tailored coverage for your business.

Solid protection for your business at an affordable price

A CNA ConnectSM Choice offers convenient protection for:

- Property and Liability
- Buildings
- Business Income
- Business Personal Property
- Computer Equipment
- Valuable and Strategic Documents
- Accounts Receivable
- Money and Security
- Back-up of Sewers and Drains

Additional protection for your business and your employees from CNA

Cargo—protects inventory in transit from warehouse to warehouse.

Commercial Auto—provides protection for bodily injury and property damage caused by vehicles used for business.

Commercial Crime—protects your business from crime-related property loss.

Directors & Officers (D&O)—protects directors and officers against liability for claims alleging negligence, errors and omissions, misleading statements and misrepresentations in their capacity as directors or officers.

Employment Practices Liability (EPL)—protects organizations and their employees against liability for claims alleging wrongful employment practices.

Miscellaneous Professional Liability (MPL)—protects professionals against liability for their wrongful acts in the performance of their professional services.

Passport[®]—protects U.S.-based businesses while overseas, including employee travel overseas, export sales and more.

Umbrella—fits over existing coverage and provides an additional level of coverage for liability, owned auto and professional liability exposures.

Workers' Compensation—protects employees if injured on the job.

Get more than just an insurance policy

With CNA, you not only get coverage from one of the nation's top four small commercial insurance carriers, you also get:

- Solid protection backed by an 'A' rated industry leader with more than 100 years experience in business insurance.
- Responsive, knowledgeable claim handling so your business can get on with business.
- A company with the capabilities to serve your needs as your business grows.
- Experienced risk control professionals to help you improve safety and manage costs.
- Access to the CNA Return-to-Work program, one of the most results-oriented programs in the industry.
- The financial strength and global capabilities you would expect from one of the world's largest and most respected insurance companies.
