

## **Sierra Farm Offers Exclusive, Comprehensive Farm & Equine Program**

March 3, 2022 – Sierra Farm, part of Platinum Specialty Underwriters, an MGA specializing in insuring the Farm & Ag Industry, announced a new, exclusive Farm & Equine program from Sierra Farm today. Sierra Farm has sole authority to rate, quote, and bind in 48 states. This unique program combines E&S capabilities with P&C coverages and Farm Liability and Equine under one policy with the more challenging to place farm & ranch accounts.

Kathy Schroeder, President of Sierra Specialty, “we are thrilled to be able to offer clients comprehensive Farm & Equine focused exposures and coverages through this rare program. As true Farm experts, we can deliver coverage for agribusiness, farms, ranches, and all aspects of the equine industry under one policy.”

This program will target a wide range of farm classes with coverages including farm liability, CGL, property including dwellings, farm equipment, and more. Non-admitted carrier with group rating of “A” (Excellent) by AM Best.

Sierra Farm also has an exclusive agribusiness program offering a wide range of farm classes, including pesticide & herbicide spraying services, farm consultants & managers, farm labor contractors, landscaping services for lawn and garden, tree trimming, and pruning, and more. Available coverages include General Liability, Professional Liability, Excess Liability, and Inland Marine, with GL limits up to \$5 million. These can be packaged or written monoline.

The collaboration of our industry experts constructed our Farm & Equine program and our Agribusiness program. We are excited to share our knowledge and offer farm coverage across the board,” said Mark Schroeder, Chief Operating Officer for Sierra Specialty and Program Manager.
